

MARKER & CRANNELL, ATTORNEYS AT LAW

NAPERVILLE'S OWN—ATTORNEYS DEDICATED TO HELPING THOSE INJURED

Marker & Crannell, Attorneys at Law, P.C., is not your average injury law firm. The firm's partners and founders, Jason Marker and Jon Crannell, share a commitment to the relentless pursuit of full justice with integrity and unwavering loyalty to their clients. They have devoted their practice to leveling the playing field for injury victims when insurance companies stand in the way. In a recent review, a client said, "Jon and this firm put our needs above their own and above their bottom line."

The amount of compassion shown to our family was priceless and rare." —T.P.

The firm initially opened in south Naperville in 2012 with the two partners and one paralegal. Today, the firm has grown to three attorneys and five full-time paralegals. Their goal was to provide exceptional representation to people injured at work or by the negligence of others. In 2023 the firm took on more space and a new home at the iconic "N"

building at 55 Shuman Blvd.

For more than 20 years, Mr. Marker has represented injured workers in nearly every industry and has gained the respect of his colleagues and judges. He routinely takes cases to trial to seek justice for his clients who are being denied medical care, wages lost while they are out of work, or compensation for their injuries. Mr. Marker has been named by Thompson Reuters as a Super Lawyer every year since 2013,

which is a designation given to only the top 5% of attorneys in each practice area in each state.

"Everyone loves Jason. He is the nicest guy I know and really works hard for his clients. He is proof positive that you don't have to be a bully or a cheater to get the best results, you just have to know your stuff and be prepared for battle."

—Jon Crannell

Mr. Crannell represents people who have been seriously injured by the negligence of others, including auto collisions, premises liability, and/or medical malpractice. Jon and his team get to know each client personally and become champions for them. Jon recently tried a case in DuPage County and received and collected a verdict of more than \$806,129, a rare feat given there was an insurance policy for only \$100,000. As a true trial attorney, Jon also has been selected by Thompson Reuters as a Super Lawyer and was recently named a "top 100 National Trial Lawyer."

"Jon is one of the most empathetic people I know. He practices his craft as a trial attorney because he cares about getting the best results for his clients. For lawyers like Jon, this isn't just a career, it is a calling." —Jason Marker

Both Jason and Jon grew up in Naperville— Jason having attended Naperville Central High School and Jon

Naperville North High School—and are currently raising their children here. They believe in giving back to the Naperville community and are frequent donors to local organizations such as Turning Pointe Autism Foundation, The Swifty Foundation, Naperville Little League Baseball, swim teams, elementary schools, and high schools.
